Explanation of Responses:

- This is an inadvertent late filing due to administrative delays
- The reported item represents the vesting of performance-based stock granted on April 20, 2022, net of any shares withheld. Performance award amount determined based on metrics in respect of the issuer's financial results over a three-year performance period ending in 2022.
- The reported item reflects the reporting person's interest in equivalent shares held by the unitized stock fund in the issuer's 401(k) plan ("Plan"). The unitized stock fund consists of approximately 95% of the issuer's common stock and approximately 5% cash or cash equivalents. The number of shares attributed to the reporting person as a Plan participant and expressed as equivalent shares has been calculated based on the \$13.60 closing price of the issuer's common stock as of September 7, 2023 and may change from time to time without the volition of the reporting person depending on the fair market value of the issuer's common stock and the amount of cash in the fund
